

JACKTHRUN

INDUSTRIAL DESIGN

jackthrun@gmail.com | 973.349.0160
339 Probasco St. - Cincinnati, OH 45220

EDUCATION

DAAP @ U OF CINCINNATI

Industrial Design

Class of 2019 (BS)

GPA: 3.725

Dean's List 2014 - Present

SKILLS

DIGITAL

Photoshop, Illustrator, InDesign, Alias, SolidWorks, Keyshot, Inventor, Premiere Pro, FinalCut Pro, HTML + CSS, Word, Excel, PowerPoint, Outlook

ANALOG

Foam modeling, pattern making, mold making, CNC machining, brainstorming, concept sketching, wood shop, metal shop, pierogi cooking

DESIGN EXPERIENCE

GARMIN

Industrial Design Intern

May 2017 - Aug 2017

Designed a conceptual action camera for Garmin's Virb lineup. The design process included research, ideation sketching, illustrator ideation, concept sketching, 3D modeling, 3D printing and prototyping, and concluded with presenting to management.

CATALYST PDG

Industrial Design Intern

Aug 2016 - Dec 2016

One of three designers on a small product development team. Contributed to projects through sketching, Solidworks surface modeling, and rapid ideation. I also operated injection molding presses and helped out with various manufacturing efforts.

FARM DESIGN

Industrial Design Intern

Jan 2016 - Apr 2016

Contributed to projects for several clients and was responsible for brainstorming, sketching (digitally and traditionally), 3D modeling, rendering, Photoshop UI storyboarding, and volumetric foam modeling for internal component layouts and architectures.
